

This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in a portion of Smith Bay from 11 p.m. December 31, 2000, to 1 a.m. January 1, 2001. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities because the rule will only be in effect for 2 hours.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-221), we offer to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. Small entities may contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding and participating in this rulemaking. We also have a point of contact for commenting on actions by employees of the Coast Guard. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under E.O. 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of E.O. 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under E.O. 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or safety that may disproportionately affect children.

Environment

The Coast Guard has considered the environmental impact of this action and has determined pursuant to Figure 2-1, paragraph 34(h) of Commandant Instruction M16475.1C, that this action is categorically excluded from further environmental documentation.

Special Local Regulations: BellSouth Winterfest Boat Parade, Broward County, Fort Lauderdale, FL

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: Temporary Special Local Regulations are being established for the annual BellSouth Winterfest Boat Parade. The event will be held on December 16, 2000, on the waters of the Port Everglades turning basin and the Intracoastal Waterway from Dania Sound Light 35 (LLNR 47575) to Pompano Beach Day Beacon 74 (LLNR 47230). The regulations are needed to provide for the safety of life on navigable waters during the event.

DATES: This rule is effective from 5 p.m. to 11 p.m. EST on December 16, 2000.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket CGD 07-00-116 and are available for inspection and copying at Coast Guard Group Miami, 100 MacArthur Causeway, Miami, FL 33139, between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Petty Officer Storey, Coast Guard Group Miami Florida at (305) 535-4472.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B) the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing a NPRM would be contrary to national

safety interests since immediate action is needed to minimize potential danger to the public as there will be numerous spectator craft in the area. Moreover, the event is scheduled for December 16, 2000, and the permit request was only recently received.

For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

Background and Purpose

The BellSouth Winterfest Boat Parade is an annual nighttime parade of approximately 110 pleasure boats ranging in length from 20 feet to 200 feet decorated with holiday lights. Approximately 1000 spectator craft are anticipated. The parade will form in the staging area at the Port Everglades turning basin and proceed North on the Intracoastal Waterway (ICW) to Lake Santa Barbara where the parade will disband. The regulated area includes the staging area and the parade route. The staging area encompasses the Port Everglades turning basin, North to Dania Sound Light 35 (LLNR 42865). The Parade route encompasses the Intracoastal Waterway from Dania Sound Light 35 (LLNR 47575) to Pompano Beach day beacon 74 (LLNR 47230).

Anchoring is prohibited in the staging area. Anchoring is also forbidden in the vicinity of the viewing area which extends from the Sunrise Blvd Bridge, South to the New River Sound Light 3 (LLNR 47240) West of the ICW. During the parade transit, these regulations prohibit nonparticipating vessels from approaching within 500 feet ahead of the lead vessel or 500 feet astern of the last participating vessel in the parade, and within 50 feet on either side of the parade, unless authorized by the Patrol Commander. After the passage of the parade participants, all vessels will be allowed to resume normal operations at the discretion of the Patrol Commander.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. The Office of Management and Budget has not reviewed it under that order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this proposal to be minimal because the regulated area will only be in effect for approximately 6 hours.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we considered whether this rule would have a significant economic effect upon a substantial number of small entities. "Small entities" include small business, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit the ICW between the Port Everglades turning basin and Lake Santa Barbara from 5 to 11 p.m. on December 16, 2000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities because the regulations will only be in effect for approximately 6 hours and the event will be highly publicized.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–221), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process. Small entities may contact the person listed under **FOR FURTHER INFORMATION CONTACT** for assistance in understanding and participating in this rulemaking. Small businesses may also send comments on the actions of Federal employees who enforce, or otherwise determine compliance with Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations for unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under E.O. 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of E.O. 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under E.O. 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or safety that may disproportionately affect children.

Environment

The Coast Guard has considered the environmental impact of this action and has determined pursuant to Figure 2–1, paragraph 34(h) of Commandant Instruction M16475.1C, that this action is categorically excluded from further environmental documentation.

POSTAL SERVICE

39 CFR Part 111

Sack Preparation Changes for Periodicals Nonletter-Size Mailing Jobs That Include Automation Flat Rate and Presorted Rate Mailings

AGENCY: Postal Service.

ACTION: Final rule.

SUMMARY: This final rule revises the standards for preparation of Periodicals nonletter-size mailing jobs that include both an automation flats mailing and a Presorted flats mailing to require use of the co-sacking preparation method in Domestic Mail Manual (DMM) M910.

EFFECTIVE DATE: January 7, 2001.

FOR FURTHER INFORMATION CONTACT: Lynn M. Martin, 703-292-3645.

SUPPLEMENTARY INFORMATION: On October 30, 2000, the Postal Service published for comment in the **Federal Register** (65 FR 64643) a proposed rule to require Periodicals mailers to prepare sacked mailing jobs of nonletter-size mail that include both an automation flats rate mailing and a Presorted rate mailing using the co-sacking preparation requirements in DMM M910.

This proposal was based on cost models that suggest that handling costs for Periodicals mail will be reduced if mailers are required to prepare their mail under new DMM M910. This preparation method will reduce the number of sacks prepared and handled, and concurrently increase the number of more finely presorted sacks. The anticipated reduction in Postal Service costs from requiring use of this preparation method was incorporated in the rates resulting from the R2000-1 rate case.

This rulemaking also reorganizes Domestic Mail Manual E200 and M200 to separate the eligibility and presort requirements for Periodicals Presorted rate mailings from those of carrier route mailings. DMM E200 will now contain section E220 that pertains only to Presorted rate mailings and section E230 that pertains only to carrier route mailings. (The information published in DMM E220 in the **Federal Register** proposed rule of August 29, 2000 (65 FR 52480), "Proposed Changes to the Domestic Mail Manual to Implement Docket No. R2000-1," has been redesignated as DMM E217 in the final rule regarding that proposal.) DMM M200 will contain section M210 that pertains only to Presorted rate mailings and section M220 that pertains only to carrier route mailings. Under current standards, Presorted and carrier route

are two separate mailings with separate eligibility requirements and separate packaging and sacking requirements. This reorganization does not change current requirements but reflects the separate mailing status of these two types of mailings. It also makes the DMM numbering for Periodicals consistent with the numbering system used for Standard Mail (A). The final rule also makes changes to E230 and M200 references contained throughout the DMM that appropriately change them to E220, M210, or M220 references, as appropriate.

As information, the DMM language in this final rule incorporates revisions to the DMM from three previously published **Federal Register** final rules that also will take effect January 7, 2001. These final rules are:

1. "Sack Preparation Changes for Periodicals Nonletter-Size Pieces and Periodicals Prepared on Pallets" published on July 28, 2000 (65 FR 46361).

2. "Line-of-Travel Sequencing for Basic Carrier Route Periodicals" published on July 28, 2000 (65 FR 46363).

3. "Domestic Mail Manual Changes for Sacking and Palletizing Periodicals Nonletters and Standard Mail (A) Flats, for Traying First-Class Flats, and for Labeling Pallets" published on August 16, 2000 (65 FR 50054).

Accordingly, the numbering and the language of the DMM sections in this final rule have been synchronized with those final rules and may not match the numbering and language in current DMM Issue 55.

Summary of Comments

The Postal Service received one in response to the proposed rule. This commenter who represents a mailing association expressed support for the new requirement.

Although exempt from the notice and comment requirements of the Administrative Procedure Act (5 U.S.C. 553(b), (c)) regarding rulemaking by 39 U.S.C. 410(a), the Postal Service hereby adopts the following amendments to the Domestic Mail Manual (DMM), which is incorporated by reference in the Code of Federal Regulations.
